Threshold Center

The Threshold Center is a place of welcome that nurtures well-being through practices that engage the heart, body, and imagination. We honor diverse perspectives and seek to cultivate spaces of sacred connection.

Community

"If we are willing to embrace the challenge of becoming whole, we cannot embrace that challenge all alone. …we need trustworthy relationships, tenacious communities of support, if we are to sustain the journey of an undivided life….That kind of community —one that knows how to welcome the soul and help us hear its voice—I call a 'circle of trust.'"
