

# STRENGTHEN YOUR CHURCH'S FINANCIAL HEALTH

- 01** Do you have a thorough understanding of your church's financials?
- 02** Are you confident in the integrity of your numbers, and does your confidence put the congregation and Board at ease?
- 03** Are you properly tracking pledges and reporting gifts to honor the donors' wishes?

## How We Can Help

- **Superior Accuracy:** Ensuring financial integrity is a vital aspect of running a successful church. Having reliable and accurate timely reports that are easy to understand and transparent translate into increased donor confidence, potentially resulting in increased giving.
- **Unparalleled Expertise:** Whether you need a full accounting and finance department or a helping hand to support your current staff, the right expertise is easily accessible at a fraction of the staffing cost. With our "just down the hall" approach, our clients can vouch for our friendly and responsive service.
- **Leading Technology:** By having access to powerful and scalable accounting software and applications that automate monthly accounting functions, you can save money and improve efficiency enabling you to focus on your ministry and mission.
- **Maximum Transparency:** Properly tracking and reporting gifts for pledgers ensures financial transparency and helps earn the trust of donors. Establish proper financial oversight with the expert help of a team that understands the complex committee and ministry reporting requirements.
